Dear Mother; Your picture with U. G. & A. sure were good
I have them on my mirror.

This is the home of our offices for the winter. Ours is clear in the back, they're quiet nice. The staff that are here wintu live up stairs they also [illegible] cooking [illegible] also. Among them the girls on the [illegible] staff live there. This used to be the lodging quarters for the keepers of the sheep & hogs etc. I went into Green Lake this morning & picked up a few things - a long letter will come soon I hope

Love to all
Ruthie
